PET ACCOMMODATION RULES

Dear Guests,

We understand that pets are an important part of the family, and we are therefore pleased to welcome Guests travelling with their pets. To ensure a comfortable stay for both you and our other Guests, we kindly ask you to observe the following rules.

1. Pet Accommodation Deposit

A refundable deposit of **PLN 100 (cash)** is required for each pet staying at the hotel.

2. Rules for Using the Room

Pets are not permitted to stay or sleep on the hotel bed, including on bedding, bedspreads, or any other furnishings intended for Guests. In the event that the bed, bedding, mattress, or other furnishings become soiled or contaminated and require additional cleaning, washing, disinfection, or replacement, the hotel reserves the right to deduct the related costs from the deposit.

3. Cleanliness and Tidiness

The pet owner is responsible for maintaining proper cleanliness and tidiness and for cleaning up after their pet, both on the hotel premises and in the immediate surroundings.

4. Liability for Damage and Soiling

The pet owner is responsible for any damage, destruction, or excessive soiling caused in connection with the pet's stay at the hotel. The costs of removing such damage or soiling may be deducted in whole or in part from the deposit paid. If the value of the damage exceeds the amount of the deposit, the hotel reserves the right to charge the Guest for the remaining amount.

5. Towels and Hotel Equipment

Bath towels, bedding, and other room furnishings are intended exclusively for the use of Guests and may not be used for grooming, wiping, or drying pets.

6. Leaving a Pet Alone in the Room

For the safety and comfort of the pet and other Guests, it is recommended that pets not be left alone in the hotel room. If a pet is left unattended, housekeeping staff will not provide room service, including cleaning, changing towels, or replenishing room amenities. The pet owner bears full responsibility for the pet's behaviour and for any damage or disturbance that may occur while the pet is left alone in the room.

7. Pet Behaviour

The owner is responsible for ensuring that the pet does not disturb the peace and comfort of other Guests, in particular through excessive barking, howling, or other disruptive behaviour.

8. Deposit

The deposit will be refunded upon check-out after the hotel staff have inspected the condition of the room. In the event of any damage, destruction, or excessive soiling, the hotel may deduct the appropriate costs from the deposit.

9. Compliance with the Rules

The pet owner is required to read and comply with these rules. Failure to comply with the rules may result in additional charges related to remedying the consequences of the violation.
